

NATIONAL CELLO INSTITUTE

SOLO FORM FOR NCI 2024

If you would like to perform a solo at the NCI, you must fill out this form, have your teacher sign it, and return it to info@nationalcelloinstitute.com by **June 1**.

There will be many students sending in solo forms. In order to allow as many people as possible to participate, it is requested that you choose a single piece or a single movement to perform. It is important that your solo be ready to perform when you arrive.

Please fill out the form completely, including an accurate timing of your performance. ALL of the information requested below is used in preparing the concert programs. Incomplete forms will not be accepted. Please write neatly and spell correctly so the printed recital programs can be as accurate as possible.

There are five student recitals during the week and each will be limited to 60 minutes of music. Students will be placed on recitals on a first come, first served basis. When the five recitals are filled, recital participation will be closed. Solo Forms will not be accepted after June 1.
